

United States Bankruptcy Court District of New Jersey

Register of Federal and State Governmental Unit Addresses

Federal Rule of Bankruptcy Procedure 5003(e) provides for the Clerk of the United States Bankruptcy Court to maintain a register of mailing addresses designated by federal and state governmental units as their official mailing addresses for service of notice.

To be listed in the register, an appropriate agent of the governmental unit must complete and submit a Request for Listing for each address the governmental unit wishes to appear in the register. Governmental units may have multiple addresses listed in the register, provided they include a brief statement explaining to the users of the register the circumstances in which each address is applicable for service.

The court shall publish a current register annually on each January 2nd, and may update the register more often as deemed appropriate by the Clerk.
