

**UNITED STATES BANKRUPTCY COURT  
DISTRICT OF NEW JERSEY**

**IMPORTANT SECOND NOTICE TO THE BAR**  
**EFFECTIVE JANUARY 1, 2008, IN MOST CASES, ONLY ELECTRONIC NOTICES**  
**WILL BE SENT TO CM/ECF PARTICIPANTS. DUPLICATE PAPER NOTICES WILL**  
**BE ELIMINATED**

Please be advised that as indicated in the Notice to the Bar dated November 19, 2007, effective January 1, 2008, the Bankruptcy Court for the District of New Jersey has implemented a Reduced Paper Module (RPM) that will eliminate a majority of the paper notices sent pursuant to Fed. R. Bankr.P. 2002 by the Bankruptcy Noticing Center (BNC) to Participants of the Court's Case Management Electronic Case Filing System (CM/ECF). CM/ECF Participants will continue to receive a Notice of Electronic Filing (NEF) as an e mail but will no longer receive a duplicate paper notice. An exception to this transition is the section 341 Notice that will continue to be generated in both electronic and paper form.

**In light of the fact that duplicate paper notices will be eliminated, and notice will continue to be provided through the NEF, it is important to emphasize that it is the attorney's responsibility to carefully manage CM/ECF User and e mail accounts as well as monitor case activity.**

CM/ECF User Accounts should be updated within 24 hours of a change to a Participant's contact information including mailing address, email address or phone number. Email accounts must be of sufficient capacity and should be monitored periodically to prevent transmission problems.

In implementing this transition to RPM, please be specifically advised of the following:

- The Court will make every effort to notify the CM/ECF Participant of an undeliverable e mail on the same business day as the problem occurs.
- If the problem cannot be resolved by the Participant immediately, the Clerk will place a notation on the docket of each case in which the Participant is involved indicating an inability of the Participant to receive NEF's.
- The Participant should take action to resolve the problem as quickly as possible. If the problem is not resolved within three (3) days, the Court will temporarily disable the Participant's e mail account in order to begin to provide notices to the Participant in paper.
- In the event that the Court must temporarily disable the Participant's e mail account, the Clerk will place a notation on the docket indicating that the Participant's ability to receive NEF's has been disabled.
- When the Court is notified that the problem has been resolved, the Clerk will restore the Participant's ability to receive NEF's, place a notation on the docket indicating that the problem has been resolved, and eliminate the generation of notices in paper.

Dated: January 3, 2008

James J. Waldron, Clerk
