

FIRST MEETING CONTINUED

This event is to be used by the Office of the United States Trustee only. This event will reschedule a 341 meeting for a successor trustee without changing the initial bar dates noticed to creditors. This event will also queue the BNC Notice Appointing Successor Trustee which provides notice to creditors of the new trustee and 341 meeting date. The Notice also indicates that all other dates provided in the earlier notice remain the same. This event must be docketed AFTER the Notice Vacating Appointment and Noticing Appointing Successor Trustee. DO NOT USE THE MEETING OF CREDITORS EVENT.
